TABLE OF CONTENTS

| | |
|---|--------|
| Todor Serafimovski, Goran Tasev Sulfur isotope composition of some polymetallic deposits in the Republic of Macedonia | 1-11 |
| Blažo Boev, Todor Serafimovski, Tena Šijakova-Ivanova Mineralogic-petrographic investigations carried out on the rocks on the right side of the Tikveš water reservoir by X-ray diffraction..... | 13-24 |
| Deljo Karakašev, Todor Delipetrov Structural-geologic and hydrogeological model of the Kočani depression | 25-32 |
| Radojko Jačimović, Petre Makreski, Vekoslava Stibilj, Trajče Stafilov, Gligor Jovanovski Characterization of some iron minerals from the Republic of Macedonia using instrumental neutron activation analysis | 33-38 |
| Blažo Boev, Gligor Jovanovski, Petre Makreski, Vladimir Bermanec Minerals from Macedonia. XV. Sivec mineral assemblage..... | 39-56 |
| Tena Šijakova-Ivanova, Blažo Boev, Vesna Paneva-Zajkova Mineralogical and petrological characteristics of the andesite rocks near the village of Ratavica | 57-62 |
| Milorad Jovanovski Some data about rock mass rating for the rock masses from the Republic of Macedonia | 63-68 |
| Todor Serafimovski, David H. M. Alderton, Tadej Dolenc, Goran Tasev, Matej Dolenc Heavy metals in sediments and soils around the Bučim copper mine area..... | 69-81 |
| Dragana Životić, Rade Jelenković, Ivan Gržetić, Vladan Simić Preliminary study of potentially toxic trace elements in the Soko mine coal (Eastern Serbia)..... | 83-88 |
| Goše Petrov, Sanja Panovska, Marjan Delipetrov, Gjorgji Dimov, Vlatko Jovanovski Determination of the geothermal potential by geophysical investigations in the Karbinci and Tarinci area, in the vicinity of Štip..... | 89-98 |
| Blagoj Delipetrov, Sanja Panovska, Marjan Delipetrov, Gjorgji Dimov Digital model of the Basic Geological Map of the Republic of Macedonia..... | 99-104 |
